ROR:

Hi Family,

First off, I apologize for my absence. We have had a shift in employment in my workplace.

Recovery On The Ridge 25 was a success this year. We had a really great committee who came together and executed the event as a team. Although we are only returning \$4,332.83 to the Area, the message was carried and that was our primary purpose.

Our treasurer, Bobby P is turning in the check today and I still have the storage keys and access card that I will turn in.

I appreciate everyone who was a part of the committee and all who attended the event.

I am truly grateful for the opportunity I had to serve as your ROR 25 Chair and look forward to continuing my service to this Area.

Respectfully Yours,
ROR 25 Chair, Ashley J.

Need to make sure to turn the ice maker on after the end of area.

Need dates for the area inventory. Hope to do it after an area meeting since everyone would be present. Try to plan to do inventory during January area.
