ADMINISTRATIVE COMMITTEE REPORTS

Chair – James H.: In June, Clay will step up as Chair, we will need to nominate a vice-chair. We are wasting time on motions that we know will not pass. Some of us use the politics of area as “ego” kicks; from now on I will filter through the motions. I have received 2 returned checks from Saturday Night Live.

Alternate Chair- Clay J. Apologizes for missing last area, due to life on life’s terms.

Secretary – Angie P. No report

Alternate Secretary- Jonathan D. I feel that I owe an apology to the area for my comments last month regarding the minutes. Due to placing unrealistic expectations on other people, I questioned their willingness, which I definitely do not have the right to do.

- Motion to accept minutes made by Together We Can, and seconded by Little River • PASSED 17 y.

Treasurer – David E.:

Hello Family, Our current balance is \$3,803.80, leaving us \$653.80 over our prudent reserve. This month’s meeting schedules cost our area \$120.00. As you may remember, we as an area decided to up our budget to \$110 last month. Seeing as how the price went up once again, some change needs to be made.

Thanks for letting me serve, David Ethier

Activities - Max C.

Activities Committee Minutes

Opened meeting with Serenity prayer introductions of all present. We then decided that we would make a list of agenda items.

1. Suggest that each GSR ask there home groups to forward to the Activities committee any activities that the home group is planning at least 30 days in advance of the activity.
2. Suggest that each GSR asks their home groups to think about sending a rep to each Activities committee meeting.
3. We suggest that the Area think about setting up a budget for the Activities committee so that we may carry out some of the functions that we will be planning, such as; getting fliers printed, purchasing items needed to run committee, and paying a love token to the church for allowing the use of our space.
4. We also discussed the idea of establishing the Capture the Flag event because we believe this will return Unity back to the Area.

The above items are some of the agenda that was put on the table for discussion during the meeting. We fill that as the committee grows we will be able to bring to the Area a more informative report an how well activities are being planned within the GSMANA.

Your faithful servant,

Max C.

H&I – Steve W Adam L. standing in for Steve W.,

H & I had a wonderful meeting today prior to area. All panel leaders were present and gave reports on each facility that we take a meeting into. There was alot of experience, strength and hope given out at our meeting today. We are continuing our fight to get in at the Sevier Co. jail for women. Also, we are still struggling to get women cleared to get into the Anderson Co. jail for women. We all need to thank Emily S. and Betty C. for their persistence and continuing commitment to taking an NA meeting into these two facilities. We know if we continue our struggle, it will pay off in the long run and the women in those two facilities will get an NA meeting taken into them. We also elected a new panel leader for the Monday night meeting taken into Peninsula Detox. Our Expenses for this month are \$389.90 + \$10.00 for rent, which puts the total at \$399.90, 10 cents under our budget.

In loving service,

Adam L.

Literature – Our January order of literature from the Show-Me RSO was \$1822.84. We have a balance due of \$3.94 before we sent in our January sales of literature. January literature sales were \$1567.48. Our area contribution to H&I was \$355.82.

There has been an average of about \$210.00. Some is due to an insurance charge of \$1.00 per 100, 6% shipping charge, \$2.00 handling charge and larger orders. We are asking the area to increase literature by \$500.00 amount owe to RSO \$213.52.

In loving service,

Jackie G.

There will be a 2% increase on the literature form. Jackie will be shopping around for the best way to order the literature.

PI/Phone line Subcommittee: There was discussion of increasing money for meeting schedules, they will be looking for a better price.

Thirteen members were present for today's meeting

We had 54 calls in December, 93 calls in January and so far 92 calls in February. The phonenumber is being used and is functioning well.

The same two women volunteers are signed up to cover the calls next month. We really need the support of women in the area who are willing to speak to other women seeking help.

We are making progress on updating the out of date information on the NA World Web site.

We are making preparations for the distribution of flyers around Knoxville and the other communities included in our area. Flyer Day will be April 8. If any groups would like to participate please let someone from the subcommittee know and we will be glad to come to your group business meeting to orient your group on the do's and don'ts of placing NA flyers.

Several of us went to Nashville to participate in the Regional PI Subcommittee meeting this past month. We will be taken a couple of carloads of addicts to the meeting on the first Saturday in April. Anyone is welcome to come and be a part of. Call the subcommittee vice chair Phil B. at 386-0417 or me for more information.

We are asking that the Area establish some method for paying our recurrent charges to the phone service. Currently one of our members is paying with a credit card and getting reimbursed. This financial burden on subcommittee individuals should be eliminated.

Expenditures

Knoxville Bell South Yellow Pages \$ 60.40

Workeasy Monthly Charge - \$100

Meeting Schedule printing - \$120

Website Subcommittee: Josh F.

Hello Family,

Website Subcommittee e-meetings are going well. We will be making some changes to the website in the next few weeks that should make the site easier to use. For one thing, all news items are going to be compiled into one list on the home page and placed in a scrolling window ordered by date. This should help keep the most current news at the top of the list. We will also finally be combining PI and Phoneline on the website to align the website with our actual subcommittee structure.

We now have one subcommittee member who will be answering all e-mail sent to help@knoxvillena.org. He will be coordinating any questions/requests received from non-members with the PI Chair in order to help maintain a clear and concise message from our Area when communicating with people or organizations outside of NA.

We have been receiving requests to post news items regarding NA events happening outside of our Area, for example the upcoming GSR Assembly for GSRs in the Volunteer Region. We have also received requests from the Alaska Regional Convention Committee and the Greek Regional Convention committee. We currently do not really have an appropriate place for these on the website, and so have decided to create a separate scrolling news window for NA news from outside of our Area.

Minutes for the most recent subcommittee e-meeting are available on the Website Subcommittee page of the GSMANA website.

In Loving Service,

Josh F

Recovery on the Ridge XI: Becky R.

The Recovery On The Ridge committee has gotten off to a slow start. We have had two activities so far both have made a small profit. One of the dilemmas that we have had to face is the lack of communication with other groups and sub-committees all trying to have activities to close together. We knew that this would be a problem with VRC being in the area this year. With this in mind the ROR committee is still discussing having ROR in the spring of 2008 rather than August of 2007. (The weekend before the World Convention)

We are planning to have our next activity around the first of April leaving March open for others. We are in contact with the river boat to secure a date and are looking at the end of April for this. Hopefully the dates will not bump heads with others having activities. ROR is trying really hard not to rob the area and other groups from having fund-razors, but apparently some have taken this that we aren't doing our job. Our committee meets every second Thursday at Rockford at 6:30 if you would like to help or be part of this process please show up we welcome your experience strength and hope.

On another matter, life on life terms has pulled my family and me in another direction and we will be moving to Texas at the end of May, therefore ROR will need a new Chair.

I am willing to continue with my position until that time, but we need to look at finding someone else to step into this position before we leave so that I may help them with the transition. I do apologize for not fulfilling my commitment if I had foreseen this then I would not have taken on this commitment.

In Loving Service, Becky R.

VRC: Jim F.

Dear GSMANA, VRC is moving along nicely we have a theme it is, “A Continuing Chain of Recovery”. We have all of the positions filled except for Hospitality. If you know of anyone please have them come to our next meeting on March 11th @ 2pm. @ the Marriott Hotel.

VERBAL GROUP REPORTS

Foundation group- My group has concerns about the member being barred from Saturday Night Live. Some members are afraid to attend that meeting due to the incident that took place there. Our group is doing a “hood outreach” by giving out abbreviated meeting schedules and white books to carry the message of Narcotics Anonymous.

Glow in the Dark- Pass

Happy Hour- We would like to thank the area for their support. Our attendance is continuing to grow and our meeting is going strong.

Hugs not Drugs- We’ve started a Saturday night meeting that starts at 8:30 pm. Our Thursday night book study is going great.

Just for Today- Our meeting is doing very well. Randy the Painter was voted in as alternate treasurer. We have been giving out Basic Texts to newcomers.

Little River Group- Our Sunday night newcomers and tradition meeting will be switching room locations at AROC due to attendance growth.

Nickel and Dime- Pass

Peace and Surrender-

I would like to thank the secretary and assistant secretary for mailing me a copy of the minutes last month. We are starting to have a speaker meeting every Monday night so we will be needing volunteers who would like to speak.

Primary Purpose- Our meeting is continuing to grow and is doing very well.

Saturday Night Live- If anyone has any questions or concerns regarding our group, we strongly encourage you to come to our group conscience. We hold it on the 4th Saturday of each month at 6 p.m.

Serenity in the Smokies- We hold our meeting at two different locations. Josh has posted a flyer on the website which has directions to both locations. We hold our group conscience on the 3rd Tuesday of each month following our regular meeting.

Solutions-R-Us- Our meeting continues to grow and everything is going well.

Spiritual Principles- We would like to thank the area for their support. Our Friday Night tradition study is doing very well.

Together We Can- Pass
Last House on the Street-

We are in desperate need of help and support. It is a must that we get some unity and support from our area.

Road to Recovery-

Our meeting place is under construction. We are struggling with attendance, we do need support. We are going to make an effort to make the location our meeting more known to our community.

Thank God for New Beginnings- Our meeting is going well.

OPEN FORUM

Greg V. - Having the GSRs report on how the home groups are doing is our reason for being here. This is the main reason for why we are here.

Chris W. - I previously brought up the the issue of barring someone from a meeting because some of the girls at our home group were concerned about a knife being pulled at the Saturday Night Live meeting. There are six requirements for an NA meeting. If SNL doesn't meet all six, then they should not be considered an NA meeting.

Walker- On page 27 of the NA Guide to Local Service, it states that to be a member of NA, all you need is a desire to stop using. You can not bar someone from a meeting.

Chris W.- If you bar someone from a meeting, you should be taken off of the meeting schedule.

Tim- The NA Guide to Local Service does not mention the consequences for barring someone from a meeting. If you don't agree with what a group is doing, just don't go.

Melanie- Concerns regarding a particular home group need to be taken to that home groups group conscience.

Tony- A group could go to the pastor of the church that the meeting is held in to serve the barred individual with papers to keep them from returning.

Chris W. - You can't do that because it violates the twelfth tradition.

James H. - If you don't agree with what a particular home group is doing, the best thing to do is to go to that meeting's group conscience and voice your opinion.

NEW BUSINESS

MOTIONS

1. Motion made by Thank God for New Beginnings, 2nd by Together We Can. ASC to appoint an interim ROR 13 chairperson since the current chair is resigning to relocation and the current vice chair is not willing to do the 2007 campvention. Mickey S. has the willingness and the clean time requirement, as well as prior ROR subcommittee experience. The newly appointed chairperson could work with Becky R. until she moves and then fill the position until the event in Aug. 2007. **INTENT:** To fulfill the commitment of the ROR 13 subcommittee and have an event in the year 2007 as per GSMANA bylaws.

APPOINTMENT CONFIRMED

GSR's, you do not have to vote on this.

2. Motion made by Foundation Group, 2nd by Solutions R Us. To increase the literature reserve by \$500.00. INTENT: To respond to additional needs of the area.

COMMENTS FROM THE MAKER: I wish it was more funds.

Con: I want to see an inventory of what's coming and what's going first.

Con: The literature chair should do an inventory to show the area what we currently have in stock.

Pro: Jackie, our current literature chair said we needed the increase in funds.

3. Motion made by Spiritual Principles, 2nd by Last house on the Street. Change area guidelines from GSR's only being able to make a motion to sub. committee chairs and GSR's being able to make motions. INTENT: sub. Committee's conducting area biz.

Con: any GSR can be pimped to write a motion.

Pro: if a sub-comm. needs something let them ask for it.

Pro: 8th concept allows for communication and responsibility.

Pro: this gives them the ability to ask.
