ADMINISTRATIVE COMMITTEE REPORTS

Chair – James H.: No Report

Alternate Chair- Clay J. No Report

Secretary – Angie P. No report.

Alternate Secretary- Jonathan D.

During future G.S.M.N.A. meetings it would be extremely helpful to me if all area G.S.R.s and sub-committee chairs would sit in the main “square” of tables. This is a simple request to ensure that all involved in area business will be appropriately recognized and heard in an efficient and accurate manner. During our presentation of verbal group reports and open forum it can be very challenging to accurately transcribe what is being said onto paper. Thanks for the continuing opportunity to serve, Jonathan D.

Treasurer's Report June 24, 2007

Hello Family,

Our current balance is \$4,017.61, which leaves us \$867.61 over our prudent reserve. Last month I forgot to take the loose change to the bank. It was sitting out on my table and did not make it back into the cash bag after all the money was double-checked. The sum of this mistake is \$1.94. I apologize for failing to deposit the money, and I have it here today to give to Ethan. I regret to inform you that I still have not solved the problem we have with reimbursing our members for covering expenses we should be taking care of on our own.

This has been my last month as our area's treasurer. I will continue to be available for questions or additional help if needed, but I have faith that our current alternate treasurer is capable of getting this job done well. I appreciate the opportunity this area has given me to learn and serve over the past two years. Thanks.

In loving service,

David Ethier

Activities - Max C.

The Comm. held it's meeting on 5/19 at 1st Christian Church. We were able to ratify a workable policy for the Activities Committee which we have presented to the ASC. We are still encouraging all GSRs to remind their home-groups that the Activities Comm. needs their participation at Comm. meeting in order to have a greater input of ideas for future events. In order to promote this request we are planning to have Comm. meetings every two weeks starting with June 2nd as the next meeting date. We also had some trusted servants step forward to fill some positions on the Committee. In loving Service, Max c.

H&I – Steve W.

The H&I subcommittee had another productive meeting prior to the Area Service Committee meeting today. Subcommittee minutes are now being posted on the area website; please give our secretary a week or so to get them up, and you can see them for a more detailed account of the meeting. Panel leaders reported minimal problems, and the panel leaders taking meetings into the men's and women's pods at the Anderson

County jail report that jail administrators have finally approved the acceptance of new applications, (vice-chair Adam L. reported that Marvin H. of Oak Ridge, who currently takes an N.A. meeting into Brushy Mountain, has been invited to take part in the subcommittee so that meeting may be folded into this area's H&I mission). The subcommittee agreed to provide, over a period of the next few months, 10 basic texts to the Jefferson County Jail, literature expenditure for June is \$389.94.

On a personal note, today marks my final meeting as chair of the subcommittee. My term is up, and I'm incredibly grateful to Narcotics Anonymous for giving me an opportunity to serve. I've been involved in H&I service for the past five years, since I had 90 days clean, and it's been an invaluable part of my recovery.

Thank you for your encouragement and support. Please continue to encourage your fellow addicts to get involved in H&I service, because even though my term is up, the need for the message to be carried is greater than ever. In loving service, Steve W.

PI/Phone line Subcommittee Report

The Phone line received 123 calls in May. The system is being utilized and is functioning well. We are making preparations for training ourselves on how to do presentations to the public.

We were represented at the Volunteer Region PI subcommittee by our subcommittees vice chair. Phil B. asked for support from the Regional PI to help us with learning days and workshops in the near future.

Expenditures:

Meeting Schedules \$76
Answering Service \$130
Knoxville Bell South Yellow Pages \$ 60.40 / month

Our subcommittee members who have been paying for our Phone line service and meeting schedules and getting reimbursed are no longer willing to continue this practice. We again have asked that the area provide the payments so that members don't have to be able to "front" the money.

The Area Treasurer informed us that money orders are now available for paying the bills. Thanks Ethan!

We installed a new subcommittee secretary. Congratulations Brett!

June 2007

Submitted by Josh F

Hello Family,

First I'd like to apologize for being absent the previous two ASC meetings. I will do my best to attend the rest of the year, but there's a good chance I might be traveling a Sunday or two for out of town business.

Though I have missed the last two ASC meetings, we have kept up with website updates, and all seems to be running smoothly. The website has consistently received more than 200 hits per day on average for the past several months. The meeting schedule is viewed nearly 400 times per month. Kudos to the PI subcommittee for the Meeting Locations page. That was apparently a very good addition to the PI section. Just a reminder to PI...please keep the Meeting Locations page as up-to-date as possible, as it is viewed around 175 times per month, or about 6 times per day. In loving service, Josh F.

Recovery on the Ridge XI: Mickey

Last month we reported that we were having trouble with the ROR account at AmSouth bank, a solution was found & all should be taken care of by the end of this week May 25.

We would like to thank everyone all that came out for the riverboat cruise. From what we have seen and heard, everyone had a great time. ROR also held a golf tournament and we would also like to thank those that came out to support that event. We would also like to extend a Thank you to Walker for his help & support in the organizing the golf tournament

The ROR pre-registration form has been e-mailed out to AR, GA, TX, MS, LA, MO, KY, NC and all areas of TN including the Southern Zonal Forum. I have also been in contact with NAWs and submitted a request to have ROR XIII put on the www.na.org website under their activities web page as well as the NA Way magazine.

We would like to remind everyone that the black t-shirts are in & this has-been posted to the area website & to whom can be contacted in order to exchange their T-shirts for new ones at no charge.

VRC: Jim F.

Dear GSMANA, VRC is moving along fine, all positions have been filled with the exception of Alt. Sec. We will still need a lot of help during the convention, there will be something for everyone to help with from hospitality to merchandise, programming and registration.

At this point we still have not selected our main speakers. If you have a tape of someone you would like to submit, please get it to Maarja F., Tony D., Ann Y. or myself as soon as possible.

The region will be meeting here at the Marriott on Sunday, August 5th at 9 am. This would be a great time for anyone that's never been to a regional meeting to come out and see how things work on a regional level. The subcommittee will be meeting at the hotel on Sat. starting at 9 am.

Josh has fliers that he is handing out today to take back to the groups. Please distribute these and start announcing the convention and pre-registration.

We will also be having a golf tournament and function on Sat. August 4th. More will be revealed in the next couple of weeks. We will be meeting at 2pm on Sunday July 8th at the Marriott. Please come and join us. In loving service, Jim F.

Ethan replied that a meeting was scheduled to occur at the bank the next day to take care of this. VOTE

NEW BUSINESS

MOTION#1

Motion made by W.O.L.F. group and seconded by Peace and Surrender. Motion States: Require all motions are read at the ASC that are submitted. Intent: To ensure that groups' voices are heard and that our leaders are but trusted servants and they are not governing through omission.

DISCUSSION REGARDING MOTION:

Chris W: Last month we submitted 2 motions to the area that were ruled out of order and not even read. The motion about asking for 10 basic texts should not have been ruled out of order.

James H: I ruled that motion out of order because it was an issue that should have been directed to the subcommittee that it pertained to.

Lindsey: According to the Guide to Local Service and our By-Laws, do the chair and vice chair have the ability to omit a motion?

James H: According to parliamentary procedure, which we default to, yes we can.

Chris W: I'm saying that all motions must be read.

James H: Chris, I told you last month that your motion needed to go to PI.

Paul: You are required to read a motion, but as chair you do have the right to rule it out of order.

Greg V: This would be a con to the motion; we already have the ability to do this.

Kim M: We are wanting to start a new meeting in Maryville at Mt. Sinai Fellowship Hall. We would like to request a starter pack. Our meeting will be called A Better Way of Life.

James H: Is there any opposition from the GSRs to giving them a starter pack. If not, we will ask the Literature chair to get this for you after the meeting.
