GSMASC Treasurer Report

Report Date: 3/26/06

Report presented by: Ken McCoy

Hello Fellow Members,

Our current balance is \$3,320.62. This is after the donation that we will be making to the Region in the amount of \$1,059.55: leaving us with a balance of \$790.62 above our prudent reserve.

I hope you will overlook my not having a Transaction History at today's meeting. Due to my work schedule, I was unable to get that printout from the bank. If I can make our deposit tomorrow I will get the

report then and email it to our Secretary so that it can be included in the minutes. Remember that when you see this history it will not have the donation to the Region; thereby, it will be that much greater than the above stated balance.

I have spoke with both Mike and James about presenting the audit information at the follow-up Area Inventory meeting. They both agreed that would be a good time for this to take place. I would like to do this an hour before the scheduled time for the inventory so as not to take away from it. This will be a presentation of information. From this I hope that it will bring about a better understanding of why I have suggested and implemented some of the changes that I have made in the way the Treasurer conducts their business.

Speaking of the way the Treasurer conducts their business. If there are no objections, I will be purchasing a copy of Quicken for our Alternate Treasurer so that he has time to learn and start working with this software. The cost for this software will be approximately \$50.00. I will be searching to find the best price possible from a reputable distributor.

At our last two ASC Meetings, during open forum, the question was asked about the appropriateness of collecting a 7th Tradition during the business meeting. At the suggestion of an area member I email NAWS with that question. (Please see the attachment with our exchange of emails.) Based on this information I recommend that we stop passing the basket during our service committee meetings. For a better understanding of this I suggest studying our 7th Tradition and our 11th Concept (I know that I will be revisiting this material in our literature).

In Loving Service,
Ken Mc

Pass The Basket During Service Meetings

During open discussion the previous two months a question was asked concerning the appropriateness of collecting the 7th Tradition during the ASC Meeting. I stated that I would do some investigating. I had the following exchange of emails to a NAWS staff member. I then followed this up with some reading of 11th Concept and the 7th Tradition from the "Basic Text" and "It Works How and Why."

Hello,

An interesting question was asked at a recent ASC meeting, "Is it appropriate to pass the 7th Tradition Basket during the ASC meeting?"

I am unaware of any information concerning this. Your help would be appreciated.

Sincerely,
Ken Mc

GSMASC Treasurer

Here is the response.

Dear Ken:

Thank you for the email communiqué and request for information regarding the Seventh Tradition and passing the basket at an area meeting. We know of and have heard when subcommittees meet they at times take a collection simply to pay for refreshments or what have you but don't refer to the collection as the Seventh Tradition because they feel that the Seventh Tradition is for the groups, and a subcommittee or service committee is not a group. The groups are theoretical support the service structure through their Seventh Tradition contributions.

Not to say that it hasn't happened or is happening at this moment, however, to the best of my knowledge NA World Services has never been apprised that ASC's are observing the Seventh Tradition during their business meeting. The only mention of funding in the guiding principles for the service structure, the *Twelve Concepts for NA Service* ,

is found in Concept Eleven which basically states what was listed earlier in this communiqué, that NA members (via the Seventh Tradition practiced in their groups) contribute money to help the fellowship fulfill its primary purpose.

With all that's said, one might ask why is the ASC passing the basket during the business meeting? Maybe there's a valid reason, we don't know; but to alleviate any confusion or controversy, if they chose to continue passing the basket they may want to consider making an announcement, in some form or fashion, that establishes the clear point the service committee is not practicing the Seventh Tradition, followed by stating valid reason(s) the basket is being passed.

Ken, if nothing else, we can say it's certainly not a customary practice to observe the Seventh Tradition during a service committee meeting, and the Seventh Tradition is for the groups, who in turn support the service structure. Ultimately, the service body will determine whether passing the basket is appropriate or not for their committee, of course taking into consideration whatever information is provided here, and other pertinent information that's motivating the service committee.

If you have any questions or need further assistance, please don't hesitate to contact us. Until then, we send you our best wishes in your ongoing recovery and in all of your service efforts to carry the message to the addict who still suffers.

Yours in fellowship,

Freddie Aquino, NAWS Staff

Phone line -- Margaret G

Dear Family,

The first phone line subcommittee meeting has been set for April 23, 2006 at 11:30am – 12:30pm at Square Dancers Inc. Over the next month I plan on attending all seventeen home groups in our area to enlist the support of any NA member that have the willingness and desire to serve on the committee.

On March the 25, 2006 I attended the phone line presentation portion of the Upper Cumberland Area's PI Learning Day. We have received the willingness of UCA phone line vice-chair Keith H., as well as the Metro Nashville PI Chair Dale B. to assist us in our efforts to have our own phone line here in the Greater Smokey Mountain Area. Both Dale and Keith shared with me their experience, strength and hope on how they are achieving phone line services separate from the Volunteer Region. I received a lot of great information that I am willing to share with anyone.

In loving service,
Margaret G

Website Subcommittee Report

March 2006

Hello Family,

The website seems to be coming along well. I have received some suggestions and corrections from some of you, and that is very helpful. I think I have made changes reflecting all of your suggestions, but please continue to let me know when you find something that needs to be corrected or have a suggestion. Send your corrections suggestions to webmaster@knoxvillena.org.

I believe all filled positions now have a knoxvillena.org e-mail account. Hopefully that will help make the ASC members more accessible to the fellowship and the community while still maintaining our anonymity.

There have been several news items submitted over the past month and everyone seems to like that. Work is in progress to automate the news item submission process. The "Submit News Item" link at the bottom of all news sections is not yet working, so for now please submit your news items by e-mail to webmaster@knoxvillena.org.

I continue to receive requests from members from other states and areas looking for meetings in our area, etc. So it appears the website is helping us reach out and become available to others.

In Loving Service,
Josh F

Dear Family,

Last month we broke our sales record again by a large margin. Popular items were keytags, medallions, and Step Working Guides. Due to conflicting schedules, I was unable to find a time for the literature committee to reserve the hall here and inventory the literature. We did a quick inventory just before this meeting. I did meet with Jackie yesterday and he learned a lot about handling the sales and entering the data. Next we will cover maintaining the inventory and ordering. I am sure he can continue to be of great service to this area.

**Motion to the Greater Smoky Mountain Area of Narcotics
Anonymous.**

Motion Made by The Foundation Group of Knoxville

This motion is to relieve Greg. V. from his responsibilities as RCM by means of impeachment in accordance to the by-laws of GSMANA.

Please refer to item three, page eight under impeachment procedures in the current by-laws.

Greg V. is in violation of the Second and Ninth Traditions.

He is also using his power as RCM to maliciously misuse his role as a trusted servant.

Greg is reporting the Region items that have not been voted on in the GSMANA.

His role as RCM is to serve the groups and not carry a personal agenda before the region.

His latest report to the region covers items that have never appeared before the area as a whole.

There is no valid excuse for this and the Foundation Group moves that this area bring to the table a vote to impeach Greg V. under the cited by-law violations.

Both the maker of the motion, Chris W., representing Foundation Group, and Greg V. spoke. After Chris had addressed the motion and Greg rebutted, a secret ballot vote was taken.

Motion failed 1/14/0

Break

Meeting reopened with Serenity Prayer by Mike R. Quorum re-established 15/17 voting groups present.

OPEN FORUM

Justin: Newport meeting Spiritual Solutions meeting since 3/15 with a turnout of 8-12 people.

John: Appreciate Ken's followup of the 7th tradition issue and passing the basket at ASC meetings.

Eric P: The Regional phonenumber needs to be updated.

Karen T: Did Glow in the Dark consider changing their time to 12:30 pm?

John W: That info was passed on to the group conscious. No decision to change time was made.

Chris W: Foundation group had a lit conference, read the literature prayer in the Basic Text. Margaret G. has the minutes. Had lots of out of state support but not much local support. Help from the ASC would be nice. You are welcome to include the Lit Conference minutes in the ASC minutes.

James H: There has been an e-mail discussion going around. The disunity drives me nuts. I want to call out one group but I just can't. NA Way of Life website has a lot of info on it but it is non-approved and it is not acceptable to use that literature in a meeting or to use an NA meeting to write non NA approved literature. We have guidelines to go by. I don't want to be a part of this chaos and I am the only person I can change.

Greg V: We started an Area inventory. Issues were brought up that need to change. It was spiritual. Addicts have died so we can have this literature. One of the solutions we discussed was that we need to understand and respect the traditions. I encourage people to come be a part of the next day of the inventory. We are planning a road trip to the Upper Cumberland Area.

Chris W. The Traditions exist for a reason. There is a process we can all do to write literature. The one we have now isn't working. When we bring up the motion to bring up the Foundation Group we are saying we know better than God. I'm not going to an area that is split to learn how to better run this area. The RCM is supposed to bring the ASC conscious – not HIS conscious. Any motion to remove the Foundation Group should be ruled out of order. Motion to impeach requires no second. If we don't go by the bylaws to the letter, then it is self will run riot.

Ann Y: It is insane that we have one addict who for the past 2 months continues stirring up trouble and chaos. Lets put some solutions out there. Lets get some Spiritual Principles in this meeting.

NOMINATIONS

Mickey S. nominated by Little River Group and 2nd by Spiritual Principles for Activities Chair. Willingness and qualifications stated.

Service Resume for Mickey S.

Clean date: 12/4/04. Involved in service work. H&I Literature chair and co-chair. Little River Group is my home group. Trusted servant of Little River Group as Activities Chair. I have chaired meetings. I have an NA sponsor that has an NA sponsor and so on. Never misappropriated NA funds. Working steps and just starting in the Traditions and Concepts.
