Treasurer –

Hello family,

Our balance as of today is 2980.65, leaving us 607.31 above our prudent reserve. We will be making a regional contribution of 307.31. One thing to keep in mind is that the group donations were way up last month. This was unusual, and will probably not stay consistent. We may not be making this exact regional donation if it's going to put us below our prudent reserve.

There were many groups last month that made a donation that didn't make a donation in the past several months. I would like to say to the GSR'S that if monthly donations go back to what they were the several months before the last one; this problem will reoccur within a small amount of time. I would ask the GSR's to please report this information to their home group

Area Inventory Process

Area Inventory Solutions Session May 25, 2008

How can the area better train and support members who serve our area service committee?

- Have learning days and workshops on topics like the group booklet and service as a GSR
- Better explain to those interested what is expected of those serving as an alternate
- Change the area format to allow for time before the meeting for training and orientation for those who come to serve
- We should be stressing to Alternate GSRs that they are expected to participate with the primary so that they can learn
- Create an Outreach subcommittee

The question for the next area solutions finding session will be “How can the Area foster unity within our groups?”

Your Area Inventory Ad-hoc Subcommittee.

Next ASC Meeting is 6-22-08
