Administrative & Subcommittee Reports

Chair – I met with the Chair & the RCM of the Knoxville Area this month to discuss appropriate ways of keeping communication between the areas open. This could be something that this area will need to address in the future. I look forward to any direction or suggestions from this body concerning future communication between the two areas.

I have met with the Treasurer of ROR IV and with this area's treasurer to finalize the transferring of the monies into the GSMANA bank account and closing the ROR bank account. Robert is in the process of supplying all documentation needed by Maarja. We will follow up on this and should have closure on this matter before our next area service meeting.

I attended this month's meeting of the Ad Hoc Committee concerning this area's by-laws. The meeting was very productive. Everyone that attended the meeting had valuable input. I hope that anyone that would like to offer input to this committee would attend future meetings.

In loving service,
Charlie H.

Vice Chair – It will be time soon to schedule our annual area inventory, just to let you know I will be bringing it up for times to schedule in the near future.

Secretary – No report given.

RCM Report-

**October 5, 2008 RCM Report
To
Greater Smoky Mountain Area Service Committee
Of
Narcotics Anonymous**

The Volunteer Regional Service Committee was held on October 5, 2008 in Nashville, TN. The meeting was opened in the usual manner with the Serenity Prayer, the Service Prayer, the reading of the 12 Concepts of service, 12 Traditions and the reading of the VRSC Purpose.

All new trusted servants and visitors were recognized, roll call was taken and a quorum was established.

Regional Chair – Ricardo J. gave his report.

What's up family?

I hope everyone is doing fine it's truly an honor & a privilege to be here with you today. I'd like to thank each and every one of you for your hard work and dedication and service to the fellowship.

Let me start by apologizing to the newly formed Knoxville for omitting them from the agenda. That will be corrected on the next one I send out.

I would like to thank Ken H. our Regional Inventory ad-hoc committee chair. Mikey P., our facilitator, and all of the RCMs and concerned members that attended the inventory in McMinnville. Without your hard work, dedication and love for your areas and the region, none of the work done could have happened, Thank you.

I was a little surprised we didn't have a bigger turnout seeing this was an opportunity for everyone to state their opinion concerning our assets and liabilities and ways to get in the solution. However those that did attend did a great job. Their willingness and desire to make our region better was shown in the work that was accomplished and the solutions that were found. Now it's up to all of us to make it happen. There are reasons to be optimistic about our service structures future.

Ken H., our Inventory chair person, has a report that contains all the facts and details concerning the inventory but unless we implement these solutions into action the inventory was a waste of time. The choice is ours. In accordance to our regional guidelines article IX sec 2 A, we need to start preparing for an annual Regional Assembly to be held in March. According to the "*Guide to Local Service*", regional assemblies are a key ingredient in the maintenance of the NA groups. It also speaks of bringing representatives of the NA groups (GSR) with the RCMs and the regional delegate for the purpose of developing a collective conscience concerning issues hopefully in this case part of the time will be devoted to developing a way we can implement an action plan that works in the region. The task of organizing and coming up with discussion topics & issues rest with you, the RCMs, and the RD. I have talked to the previous GSR assembly ad-hoc chair and the previous RD and they both express willingness to help the committee. So while you're out having lunch or whatever, please consider stepping up and being the ad-hoc chair of the committee and working with our RD and making this happen. Someone please let

me know if you are willing before we leave today.

Now last but not least, I would like to join the VRC 26 committee in inviting everyone from Knoxville to Memphis to spend part of your Thanksgiving weekend in Chattanooga at our VRC convention at the Choo Choo. See you there.

Team work is the ability to work together toward a common vision.

Yours in loving service,

Ricardo J.

P.S. I would like to again ask for one of you guys to step up and volunteer to be the ad-hoc chair for the General Assembly, so please talk with your sponsors, your areas and get back with me.

There is no alternate RSC Chair.

Secretary - Craig gave his report with one typing error in his report, which will be amended.

Hello Family,

I hope all is well with each of you. For those of you who are new, I have 21 days to get the minutes out; however there are a few areas that meet this coming weekend. So in order for them to have at least the information that we will be voting on, I will send "new" business and nominations out with in 7 days. If you get this information and do not want it, then please try to reply to me so I can omit you from the VRSC email list. Also, if you are a RCM or subcommittee chair that can email me your reports, could you please do so this week so I can try and get the minutes out sooner than the 21 days. All your help will be greatly appreciated. One more thing, if you have a problem with this email, please let me know so I can try to fix the problem and get you the information a.s.a.p. Thank you for allowing me to serve.

In loving Service,
Craig G.

The minutes were accepted with the said correction.

Treasure - She stated the cost of the regional inventory was \$1,169.60 and approximately \$1100.00

was spent on gas reimbursement. Monies in our prudent reserve had to be used to cover for today's expenses. She also said we will probably need the money from VRC to make up our prudent reserve.

This committee sent \$20,000.00 to NAWS in 2007 by taking the vote of a straw pole from the RCM's, therefore not considering the operating expenses of our VRC we may need to assist the VRC with funds due to the economy as registrations are down. You can see the regional minutes for the full treasure's report.

The treasure is letting us know our prudent reserve is in the red. Many areas are not financially supporting the region. We talked about the basket not supporting the region. You will have to see the treasures report to observe how much more funds we have going out then coming in. She request that we let our areas know that we need to try to let the funds flow. We also discussed to try to tighten our belts and find ways to cut cost. We discussed with our subcommittees to spend money more wisely and try to utilize our resources and work in partnership with each other and keep cost down. If we are not able to do this then we will be forced to cut budgets.

TREASURER NOTES REGARDING SALES/USE TAX

I am not a tax attorney or CPA and this is only a recommendation based on my understanding after reading the tax code and speaking with a CPA.

AREA LITERATURE SALES/RESALE

- 1) The amount of purchases and sales has no bearing on the tax code. It does not matter if we are selling \$10.00 worth of literature or \$10,000 the rules are the same.
The operative word is "Resale".
- 2) Areas should register with the State of Tennessee as an Unincorporated Association of Individuals and collect and remit tax to the State on all items that are sold. For Forms go to

www.tennessee.gov/revenue

3) Registration should be simply as an Unincorporated Association of Individuals and NOT as a Non-Profit Exempt Organization since:

- Only 501(c)(3) organizations can obtain an Exemption Certificate.

There is no benefit to the Areas in becoming a 501(c)(3) as we would still be equally as responsible to the State for collecting & remitting sales/use tax based on the fact that literature sales are on going.

4) If your Area registers with the State, they will also need to file an 1120 Tax with the IRS annually.

Federal ID Nos. for most Areas are already in place.

No Federal Tax should be due since Area pass on their profits/ net income (amounts over their prudent reserve) to the Region, who is a qualified 501(c)(3).

GROUP PURCHASES OF LITERATURE

Groups should be okay in buying Literature from the World or other Regions so long as they do not resale. In other words, Groups could purchase literature for its own use or to give away.

Most Groups purchase literature to give way, i.e. pamphlets, etc.

Books could have a suggested donation but should NOT be required.

Delegate Report - Belinda

4 Oct 2008 Delegate Report

Hello Family,

I just have a few updates to give on World happenings. First, I am happy to say I have a copy of the 6th Edition Basic Text for you to see. Until I put it beside my 5th Edition it didn't really look much bigger. It is a little larger. Bronze medallions are also available as of Oct 1.

A new executive committee was elected for the World Board for this new conference cycle. One of the project plans they are working on this cycle is to get some of the earliest members on video. Members who have been around since the early days of the fellowship. If you know of anyone the board asks that you contact them with your suggestion at worldboardna.org.

The four pamphlets that were out for review the first part of the year will soon be available as 3 new pamphlets: Leadership, The Benefits of Service and An Introduction to NA Meetings. Future pamphlets will be made available for review, workgroups have been formed to work on a revision to In Times of Illness (it is hoped that this piece will be available in early January for a 90 day review and input), Service System Workgroup, Self Support Workgroup, NA Way Workgroup, Reaching Out Workgroup. Issue discussion topics for this conference cycle are "Building Communications, Leadership, and Our Freedom; Our responsibility". We will be discussing these topics in the fellowship.

WCNA 33 will be in Barcelona, Spain. Anyone planning to attend should pre-register so the planning committee can plan for the convention. Our recent history at WCNA 32 shows it isn't prudent to plan for those who might attend.

The next SZF will be held in Covington, LA the last full weekend of October.

Continuity/Transition in Service. Flyer is available on the Southern Zonal Forum website at: szfna.org. I have hotel information available if anyone needs it today.

Thank you for the opportunity to serve and let me know if there is anything you would like me to do. My term as delegate is quickly coming to an end so use me up before it is too late. (ha ha).

In loving service,
Belinda H.

The Southern Zonal Forum is the last week of October. This committee voted to reimburse her and her alternate delegate for 1/2 the hotel room cost and the transportation.

Area Reports

Central Tennessee – They are struggling, they are a very small area.

Chattanooga – Has open positions for H7I and PI.

Is discussing forming an Out Reach Committee

Nashville - Several groups have formed another area.

Metro area – 258 phone calls.

PSA's are now on CD's per PI

Mail order packages being made for police and counselors.

\$2,250.00 for bill board for a 6 month rental fee.

Middle Tennessee – GSR orientation going on 1 hour before Area.

Old and new GSR's are welcomed.

Making sure reports are not to long.

Mountain Area – All is well. First H&I meeting went well.

On September 14th they had a Concept workshop.

Twin Lakes – New at region, just observing.

Upper Cumberland – Another new meeting added "Free and Clean" in a minimal

Security prison in Pikeville.

NA Celebrating 30 years of NA.

West Tennessee – The RCM is extending their term.

No PI chair.

NA in May is in process.

Wants to host VRC – 27.

Mid West – Much discussion on tax issue. Area is taking responsibility of paying taxes,

has tax ID number. No lit being sold at meetings – all is free. Area will be

paying for literature.

GSMANA – Group Booklet Learning Day went well and had good participation.

Formed a new Out Reach Committee which is functioning well.

Our regional guidelines state, if a subcommittee chair person is absent for 2 or more consecutive meetings, he can be removed from office. I say this because the regional Out Reach chair person has not been attending and no one has spoken with him. A couple of trusted servants will go by his house and check on him. In the meantime Zach will be the interim Out Reach chair.

Sub Committee Reports

PI – Ruby – Not report turned in.

H&I – Jason

Learning day for Central Tennessee was a success.

Greater Nashville Metro had a book drive.

GSMANA panel coordinators were formed for presentations. They are focusing on jail meetings as well as other groups.

Five areas met on Saturday and shared their concerns and solutions regarding forming a news letter with the help of the newsletter hand book formed from WSO.

H&I is asking for \$200.00 worth of literature basic text's and white booklets, etc. Talk getting a rubberstamp with regional answering line number and web site address for meeting information. They want to stamp all their literature with this as well as all other areas to have their own stamp also. This will be a cost of \$30.00 per stamp. He requested the region pay for the cost, however after our Discussion on the lack of funds the region has decided to put his request on hold and will return with alternatives to this committee.

I want to mention that a letter was sent from the Band of Brotherhoods which is a group of prisoners looking for meeting schedules.

Out Reach – Zack

GSMANA had a guide to local services learning day.
On September there was a Concept workshop in the Mountain area. Studied Concept 7-12.

VRC Convention Report – Pete F.

They need coffee and coffee supplies donated for the event. Please encourage. Please encourage all to register. All donations are down from last year. The balance so far is \$4,381.00. Please promote the convention and help it to be a success.

OLD BUSINESS

Sales tax – There was much discussion on this issue. Nashville groups order their own literature and have no problems. Literature is tax free if you give it away and order less than \$4800.00 per year. You must register with the IRS and pay taxes if your order is greater than \$4800.00 even if you do give it away.

We need to clearly understand if we purchase literature for the purpose of resale, we must pay taxes on it regardless of how much or how little we order.

If our area gets a tax exempt number and insist on selling it to the groups, then the area must pay taxes on the literature. That requires the area secretary to pay taxes quarterly, or every six months. Our special worker (CPA) will let him know how often he needs to pay it. The region is exempt because they do not sell literature. They have their own tax exempt number for buying

room time at VRC. H&I, PI and Out Reach literature should be free from taxes unless over \$4800.00 because they give theirs away.

The groups must not say they are selling literature, they must donate it to addicts who want it. Do not keep any records on literature sales, put it all in the basket, keeping it all under basket funds. The key word is re-sell. We do not re-sell literature!

I strongly encourage the groups to order their own literature, thereby removing this problem from the area service committee. If the area wants to provide literature they will need to pay 9.1% taxes, get a federal tax number and file a sales on tax report.

I noticed in Holly's report, nothing we mentioned about the \$4,800.00 limit of literature in paying taxes. I will verify this at the next Regional report and report it at our next area report.

Motion #1 was made by West TN. Area and seconded by Greater Smoky Mountain Area and reads as follows:

To host VRC 27 in the West Tn. Area and to accept recommendation of the Hilton in Memphis as the location.

Intent: To provide the VRC 27, 2009 in the West Tn. Area.

VRSC Chair, Ricardo J., appointed Kenneth R. as interim VRC chair

From Holly P. (VRSC Treasurer)- donations today - \$400.00 Spent today - \$3,685.66

- request from PT for \$1,480.00 (which is in budget) for presentation boards

- this will leave us with \$6,663.23 in our checking account.

- we are to have 2 months expenses plus up to \$3,000.00 prudent reserve which should leave us with \$11,000.00 in our account, but we will be well below that.

- at this rate, we will be broke by February.

- I warned the Region when we sent the \$10,000.00 check to the WSO that this would happen.

We are supposed to send the money via the fund flow, however, we are supposed to take care of our needs first.

Question — Can PT cut back the amount they are requesting?

Answer - Yes. 2 Areas need presentation boards, the other 2 will have to wait until it (\$) becomes available or even share the ones we have.

Question — Can the VRC have their financial report at the December's VRSC since we don't meet during the VRC and the next meeting is not February, but December?

Answer - If the Treasurer of VRC can close the books and have a report, then we will have our report ready at the December's VRSC.

Comment from VRSC H&I Chair — We will wait until money is available to purchase the H&T stamp that we were requesting.

Comment form VRSC PT Chair - We are only requesting the money for one presentation board which is \$314.00.

Meeting adjourned at 2:55pm with the 3rd step prayer.

In Loving Service,
Dawn K.

Treasurer- Hello Family,

Our balance as of today is \$2,050.27. We are \$323.07 below our prudent reserve. We won't be sending a donation to region this month, because they didn't meet. Also we wouldn't because of our prudent reserve.

I went to the ROR Subcommittee meeting. The combining of the bank accounts is underway, but has not happened as of yet.

It was brought to my attention that I had 2007 instead of 2008 on the last month to date. I changed it, and have last months YTD, which will go in the minutes.

I reimbursed Steven the secretary, because he was over his budget in sending out the minutes.

Activities – No report given.

H&I – We had another successful H&I subcommittee meeting. KCSDC is going through orientation again.

Anderson County Jail for males, is still an issue and has no meeting going in. I have made a decision to go to Anderson County Jail before 3:00 on Monday to see who is approved to get into the jail and to start there, also, to see about the time issue.

Blount County- we have decided to follow the hand book and mail a letter to them.

We talked about making a new list of meetings and panel leaders for the home groups.

It was brought to our attention that there was a sheet in the handbook that would be beneficial to use, by listing the literature that is used/given to each H&I meeting.

And a reminder that we will be meeting the 3rd Sunday of the month for November 16 at 1:30.

In loving service,
Jeremy E.

Outreach-

OUTREACH REPORT OCTOBER 27, 2008

This area's Outreach Subcommittee met twice this past month. The first meeting was at Carl Cowan Park on October 11th. I was unable to attend this meeting. There were four people present at the meeting, and the discussion was heavily centered on explaining what Outreach is to a new member.

We also met earlier today. There were nine people from four different homegroups present. After beginning in usual fashion, we read and discussed the Tenth Concept. Afterwards, we read and discussed Chapter 12 of the PR Handbook, titled "Fellowship Development." It was strikingly similar to the Outreach Resource Information booklet that we read in September. The flow of the chapter was focused and helpful; it began with principles that applied to fellowship development (such as unity and attraction), planning and preparing for fellowship development services (such as coordinating services, approaches, and obstacles and solutions), putting the plan into action (such as communication, visiting groups, workshops and learning days, orientations, budgeting), and a

section on reaching incarcerated members.

We had enough time to fully discuss the content and intent of the chapter, as most of it was a review from what we have gone over in previous meetings. That is not to say, however, that this was a waste of time. We have a better understanding of how to serve our fellowship as a result of this chapter.

Our next meeting will be Sunday, November 16th at 9am. We will review everything we have read thus far, and use that information to develop a workable set of guidelines that will be effective for serving this area. Our plan is to review several different sets of guidelines that are being used in various other areas and regions, and tailoring them to the needs of our area. We hope to submit a set of guidelines for approval in either December or January.

Once again, our next meeting will be Sunday, November 16th at 9am. It will be here at the Square Dance Inc building. We welcome everyone to be a part of this process!

ILS,
David E.

ADHOC Policy & Procedure - We met on the 19th and worked on guide lines for approx. 4 hours. We are about a third of the way through them. There was 6 addicts present and we enjoyed each other and the great hot dogs. We will be meeting on Nov. 9th @ 2pm for location and directions call Paul O. best # cell 813-915-4848 2nd # home 984-1473 and email odonovanpaints@aol.com

Motion #1 was made by West TN. Area and seconded by Greater Smoky Mountain Area and reads as follows:

To host VRC 27 in the West Tn. Area and to accept recommendation of the Hilton in Memphis as the location.

Intent: To provide the VRC 27, 2009 in the West Tn. Area.

VRSC Chair, Ricardo J., appointed Kenneth R. as interim VRC chair

From Holly P. (VRSC Treasurer)- donations today - \$400.00 Spent today - \$3,685.66

- request from PT for \$1,480.00 (which is in budget) for presentation boards

- this will leave us with \$6,663.23 in our checking account.

- we are to have 2 months expenses plus up to \$3,000.00 prudent reserve which should leave us with \$11,000.00 in our account, but we will be well below that.

- at this rate, we will be broke by February.

- I warned the Region when we sent the \$10,000.00 check to the WSO that this would happen.

We are supposed to send the money via the fund flow, however, we are supposed to take care of our needs first.

Question — Can PT cut back the amount they are requesting?

Answer - Yes. 2 Areas need presentation boards, the other 2 will have to wait until it (\$) becomes available or even share the ones we have.

Question — Can the VRC have their financial report at the December's VRSC since we don't meet during the VRC and the next meeting is not February, but December?

Answer - If the Treasurer of VRC can close the books and have a report, then we will have our report ready at the December's VRSC.

Comment from VRSC H&I Chair — We will wait until money is available to purchase the H&T stamp that we were requesting.

Comment from VRSC PT Chair - We are only requesting the money for one presentation board which is \$314.00.

Area Motions

VOTE **MOTION #1:** Motion made by Secretary to change "General Supplies for Executive Members Needs" part of budget from \$40 to \$65.

Seconded by: Free to Be

Intent: To provide correct amount of money for secretary expenditures.

DON'T VOTE **MOTION #2:** Motion made by Free to Be to request help from the area to purchase a basic text, Just for Today, It Works How and Why and a Step Study Guide.

Seconded by: Giving It Back

Intent: To be able to carry the message to the still suffering addicts and have the tools needed to carry the message.

Straw poll vote was taken at area by present GSRs to provide money to group in the amount of \$36.05. Motion was passed 13-0-0.
