RCM: Stephen Z. The VRSC met for its "Meeting between the meetings" on Sunday 3/14/21. There were only a few people in attendance; Dell E., Craig G., Lucy O., myself, and the RCM and Alt RCM from GNA.

We discussed a couple of topics.

Open Forum

- Website SSL certificate expired. New one has been purchased, just needs to be installed.
- Conversation about changing website host to a 3-year instead of 1-year. Lucy O advises this. Similar price. This will allow for every service member to have their own email address. This change can not go into effect until next year, but it's a good thing to begin thinking about.
- Cindy is the new GSR for Solutions
- Request for updated meeting list. Send all changes to Stephen Z.
- KAZM Zoom account available for all homegroups to use.

New Business
